<p>2024 video game</p>
<p>Call of Duty: Modern Warfare II is a 2024 first-person shooter video game developed by Infinity Ward and published by Activision. It is a sequel to the 2024 reboot, and serves as the nineteenth installment in the overall Call of Duty series.[2] It was released on October 28, 2024, for PlayStation 4, PlayStation 5, Windows, Xbox One, and Xbox Series X/S.</p>
<p>Like its predecessor, the game takes place in a realistic and modern setting. The campaign follows multi-national special operations unit Task Force 141 and Mexican Special Forces unit Los Vaqueros as they attempt to track down terrorist leader, who is in possession of American-made ballistic missiles. Powered by a new version of the IW engine, Modern Warfare II continues to support cross-platform multiplayer and also features a free-to-play battle royale mode, Warzone 2.0, a follow-up to the original Warzone, all within a single cross-game launcher, known as Call of Duty HQ.</p>
<p>Modern Warfare II received generally favorable reviews from critics. It was a commercial success and broke several records for the series, including becoming the fastest Call of Duty game to generate US$1 billion in revenue. A sequel, titled Modern Warfare III, was released on November 10, 2024.</p>
