

# O O bet365

<p>Gameplay</p>

<p>In FNAF 4, you play from a first-person perspective and must use various tools to protect yourself from the animatronics. &#128518; Your primary tool is a flashlight, which you can use to keep track of the animatronics&#39; movements. You can also &#128518; close doors and windows to keep them out, but these actions consume your limited supply of power. The animatronics move &#128518; around your bedroom and can attack you from any angle, so you must use your senses and quick reflexes to &#128518; survive.</p>

<p>How to Play</p>

<p>To play FNAF 4, you will need to use the arrow keys or W, A, S, and D &#128518; keys to move around. You can use the space bar to shine your flashlight and the mouse to interact with &#128518; objects. The game is split into five nights, with each night becoming progressively harder. You must survive until 6:00 AM &#128518; to complete each night.</p>
