It is the thirteenth i nstallment in the Call of Duty series and was released worldwide for PlayStation 4, Windows, and Xbox One on November 4, 2024.</p> <p>Development of Infinite Warfare began during 2014. It is the first titl e by Infinity Ward under the new three-year development cycle for the Call of Du ty series. The game's campaign is centered around a battle for the Solar Sys tem, which the Settlement Defense Front (SDF), a hostile force who are the main antagonists, are attempting to take over. The player takes control of Lieutenant Nick Reyes of the Special Combat Air Recon (SCAR). They have their own transfor ming fighter, named " Jackal ", that they can customize as well as a central hub ship named Retribution.</p> <p>Infinite Warfare's announcement trailer was noted for its strong ne gative reaction; it was the second-most-disliked video on YouTube at the time. C

ommentators attributed this to Call of Duty fans expressing frustration at the d

irection the series had taken, specifically that the game and its predecessors h

ad futuristic settings. Nevertheless, the game received generally positive revie
