Hand2Note 4 is a new version of the most advanced poker tracking software that is even more ahead of the competition. The main advantages of the new version are ready-made reports for almost all game situations and the phenomenal speed of importing and building databases. You can read more about all the new features in Hand2Note 4 in our article: [What's new in Hand2Note 4](#). In this short article, we will show you how to quickly and painlessly migrate to a new H2N version, while keeping all your HUDs, databases, and settings.

Please note that Hand2Note 4 is a new independent application, so you can install it without any impact on your current Hand2Note 3. This will help you gradually get used to the new version, without having to change something drastically right now.

1. Install Hand2Note 4

Download, run the installer, and follow the simple instructions.
