<p>Original Minecraft</p>

<p>However, if you want to play the original pre-release game, Mojang released Minecraft Classic for the game's 10-year anniversary. This version is based on the browser-based alpha version of the game, a great bit of nostalgia for the original Minecrafters out there.</p>

<p>Moving on to similar games, there's plenty of sandbox games in this genre. Some of these games are self-claimed Minecraft Clones like Mine Clone 3, which features many similarities with the original game.</p>

<p>Minecraft-Inspired Games</p>

<p>There's plenty of innovative titles that take Minecraft elements to create an entirely new game. Check out Merge Pickaxe for a game that combines Minecraft and idle elements. Minecraft Tower Defense is another cool Minecraft-inspired game featuring addictive tower defense mechanics! For an FPS game that'sll have you hooked, Pixel Warfare is a classic FPS game with a Minecraft-style aesthetic.</p>
