Synopsis [edit]Setting [edit]

Maki goes to the Zen'in compound to collect Cursed Tools she needs, but is forced to kill her entire clan when they lay a trap for her.

[48] Crunchyroll is also streaming for the second season.

8 million copies in circulation by September 2020;^[100] and over 10 million copies in circulation by October 2020,^[c] having grown 400% in one year, and about 230% in a half year.

[139] Azusa Takahashi of Real Sound praised its storytelling, setting and "surprising" story development, also noting similarities to other works like Bleach, Ushio & Tora or Neon Genesis Evangelion, stating, however, that the series is not only a homage to popular works centered on the battle development, but that it has a "clever composition that sublimates into originality, so you have to be absorbed in it.
