<p></p><p>Five Nights at Freddy's 2 (FNAF 2) is a horror-t

hemed browser game and the sequel to the popular game Five Nights at Freddy'

s. The game takes place in a pizzeria that is home to a new set of animatronics,

including Freddy Fazbear, Bonnie the Bunny, Chica the Chicken, and Foxy the Pir

ate Fox. Players take on the role of a new security guard working at the pizzeri

a, tasked with monitoring the animatronics through a series of security cameras

while trying to avoid getting killed by them.</p>

<p></p>

<p>The gameplay mechanics of FNAF 2 are similar to the original game, but

with some notable additions. The security guard has a limited supply of power to

keep the lights on and doors closed, and must use it strategically to survive t

he night. Additionally, players must now use a flashlight to ward off certain an

imatronics, and can wear a Freddy Fazbear head to avoid detection by others.<
