<p>In Catpad, you play as a cat! And as a cat, you can do regular cat stuff; you can build 👏 a tower out of boxes, play memory and sometimes even drive a car at high speeds. As you play, shiny 👏 power-up balls will show up. Hitting enough of these balls will put your cat into Fever Mode! In this mode, 👏 your cat goes a bit crazy and will start scoring tons of points. This can help you to set new 👏 highscores and get new achievements. By getting good scores, you will unlock new items to decorate your cats home with! 👏 There's more than 6 games for you to master. Can you and your cat become the perfect duo?</p>
