"Stand Up", officially titled "Stand Up (from Harriet)", is a song performed by English singer Cynthia Erivo and co-written by Erivo with Joshua Brian Campbell. It was released on 25 October 2024, as the lead single from the soundtrack to the biographical film *Harriet*, which also stars Erivo.

Background and composition [edit]

In 2024, English singer and actress Cynthia Erivo was cast to portray abolitionist and activist Harriet Tubman in the biographical film eponymously titled *Harriet*. [1] Following the completion of filming, Erivo collaborated with composer Joshua Brian Campbell to write the song for the end credits of the film. [2]

Written by Erivo and Campbell, "Stand Up" was produced by Will

Wells and Gabe Fox-Peck. [3] The song was described by *Rolling Stone*'s Jon Blistein as a "slow-burning, gospel-tinged ballad." [4] Rania Aniftos of *Billboard* noted that it chronicles themes of "hope, overcoming obstacles and kindness for others." [5] The song's lyrics also make use of Tubman's

last words before her death in 1913: "I go to prepare a place for you."
