

## \* bet com

allowed in your country or state. At the same time, the legality of online casinos varies, and the number of online casinos is increasing. However, the legal age for gambling varies by state. In general, you can expect to earn anywhere from \$0.01 to \$0.10 per view on Facebook Reels. However, there have been reports of some creators earning as much as \$10 per view. It's important to note that Facebook does not disclose the exact formula for calculating how much money creators earn per view.
