What is the origin of Fall Guys? Fall Guys is a party battle royale with 3D platforming elements, inspired by famous contests such as Takeshi's Castle. The player has to overcome a series of crazy obstacle courses and mini-games, in which he will compete with dozens of other players. Those who manage to qualify in the successive rounds will reach the grand final, in which only one player can remain.

One of the great hallmarks of the proposal is its colorful and casual style. The game, developed by Mediatonic, is currently distributed by Epic Games.
