of them have disappeared, or that it is hard to find them? Don't worry anymore, as our

admin team has created a category dedicated to them, and that's not all, because we've

made sure to bring even the older games on the popular platform into the modern day, so

now they are easily emulated directly in your browsers, without needing to have flash,

PokerStars writes Hand Histories and Tournament Summaries to your hard drive.

Once we successfully Auto Import hands into Holdem Manager 3 we can setup other PokerStars options like Preferred Seating, Hotkeys and Capturing Observed Hands
