About Pizza Games

The term "pizza games" may sound puzzling to some, conjuring up the image of throwing a pizza around like a frisbee. However,

it actually

refers to a delightful category of online entertainment that caters to

foodies, cooking

fanatics, and pizza lovers. It's hard to pinpoint the exact origin

s of pizza games, as

Microsoft has

officially announced that it has bought Activision Blizzard for an incredible \$69 billion.

It's the biggest buyout in video game history, and in one fell swoop expands Xbox's

first-party offering to encompass everything from Call of Duty to World of

Warcraft.
