Call of Duty: Warzone 2 is a reliable title that offers up more multiplayer modes than before as well. The game's a somewhat of a masterpiece, differentiating itself from other titles in the franchise. It's a great system, and it's a great game. The game is expected to release on the standard platforms, including Xbox, PlayStation, and PC, with the possibility of an extension to Nintendo consoles due to a potential long-term agreement. Call of Duty will stay on PS4 and PS5.
