In 1884, Major William Bulpett, with the backing of winter sports pioneer and Kuhn hotel owner Caspar Badrutt, constructed the Cresta Run, the first tobogganing track of its kind in St. Moritz.

The 2016/17 World Championships were held at Königssee bobsleigh, luge, and skeleton track in Bavaria, 24–26 February 2017.

[4][17] The sport is also promoted by skeleton officials as a gateway sport to "train young, aspiring athletes.

In 1902, Arden Bott added a sliding seat to help athletes shift their weight forward and backward, a feature that is no longer included on modern sleds.
