[Call of Duty: Black Ops 4](#) is a multi player first-person shooter video game. Unlike previous titles in the Call of Duty series, Black Ops 4 is the first entry to not feature a traditional single-player campaign, and contains only Multiplayer, Zombies and a new battle royale mode called Blackout.

The main story of Modern Warfare takes just six hours to complete, with some people even rushing through it in five. The reboot of the popular campaign got the multiplayer right as well. To focus on these, the game elected to drop the zombies mode.
