&lt;p>Forwards (also known as attackers) are outfield positions in an associa  
tion football team who play the furthest up the pitch and are therefore most res  
ponsible for scoring goals as well as assisting them. As with any attacking play  
er, the role of the forward relies heavily on being able to create space for att  
ack.[1] Their advanced position and limited defensive responsibilities mean forw  
ards normally score more goals on behalf of their team than other players.&lt;/p>

&lt;p>Attacking positions generally favour irrational players who ask questio  
ns to the defensive side of the opponent in order to create scoring chances, whe  
re they benefit from a lack of predictability in attacking play. Modern team for  
mations normally include one to three forwards. For example, the common 4 2 3 1

includes one forward [2] Less conventional formations may include more than three
