Unlikable characters, cast, bland and irritating performances (Odessa A'zion's performance was infuriating and exhausting), slow pacing, poorly written dialogues and story; overall another disappointing Hellraiser installment. The trailer was great but the film was outrageous.

Hellraiser 2024 easily clears the admittedly low bar of being one of the best Hellraiser movies. It's the best one since Hellbound: Hellraiser I

and might even be the second best in the series after that film.
