Direct Bank Transfer Payment Method Pros & Cons - GoCardless : direct-bank-transfer-payment-method-for-small-businesses  
A direct transfer is a type of bank-to-bank payment that moves money from one account to another. This is usually done online, but it can also be initiated over the phone or by physically visiting a bank branch. In most cases, these payments are initiated by the customer in response to an invoice sent by the business.
