From this following part of the article you learn everything you need to know about the game, #127824; so why not read to the end before you start? You are going to move around using the w, a, #127824; s, d keys, while with the mouse you look around as well as shoot. In this game, only when you #127824; are moving the time is flowing, so when you stop, it also stops. Use this to your advantage in order #127824; to avoid enemy shots, and if you do it right, you then get to have a step ahead of them #127824; and shoot them down faster and take them out, advancing through the stage. Get through one stage after the other, #127824; until you completely win the game. Good luck, and if you are up for more fun, sticking around here and #127824; having even more fun with other great games that are coming is certainly what you have to do!#225;How to play?#225;Use #127824; the mouse and the w, a, s, d keys.#225;y the rarest.
