You may need to have a valid payment method on file, even if the app you want to download is free. Unfortunately, not all credit and debit cards seem to work with the App Store / iTunes Store, so try a different one, or preferably a credit card. If your card is not accepted as a payment method, you need to contact your bank.

I can't download an app due to a billing problem with a previous purchase. For more information, see the discussions.apple.com thread.
