st nations as part of a new strategic collaboration agreement announced by CONMEBOL and CONCACAF. The agreement aims to consolidate the development of football in the Americas, promoting the growth of the sport and the welfare of players and fans.

CONCACAF president Victor Montolio and CONMEBOL president Alejandro Gusmano met in Mexico City to discuss the details of the agreement. The two organizations will work together to create a unified football confederation for the Americas, which will be responsible for organizing the Copa Libertadores and the Copa Libertadores Concacaf.

The agreement also includes provisions for the development of football in the Americas, including the creation of a unified football league and the promotion of youth football. The organizations will also work together to improve the quality of football in the Americas, including the development of referees and the promotion of women's football.

The agreement is a significant step towards the unification of football in the Americas. It will help to create a more competitive and unified football league, which will be a major benefit for the sport and its fans. The organizations will also work together to improve the quality of football in the Americas, which will be a major benefit for the sport and its fans.
