October 25, 2024 | Rating: 2/4 | Full Review & Unpredictable and unapologetically violent, Terrifier may seem like a B-horror, but it is far from it. Terrifier is more or less a slasher proof of concept. It introduces its two best features, Art the Clown and the practical gore effects, and executes them very well.

While Pennywise the Dancing Clown developed audiences' fear of clowns in It, the emergence of Art the Clown in Terrifier brought this to a whole new, scarier level.
