<p&gt;I thought the game and awesome! The screen effects really made the stor
y come to life. And it wasn t 🔔 boring where you just want to skip it t
hrough and move on, you really want to read it and see 🔔 what was happe
ning! But there was only one problem, which caused me to delete the app. When yo
u first open 🔔 the app, they ask for your age, one of the options is 18
and under. So I click that and 🔔 I start my first story. I really like
d it! The story was well played out and I laughed a little 🔔 too. But t
he only problem was that the
                            F word
                                     was put in there at least once in each sto
ry. 🔔 I think that is extremely disappointing that they would do that.
If you click 18 and under, I expect the 🔔 creators of the app to elimin
ate all the
           F words
                     and maybe more swears, I say this because 18 and 🔔
 under does include 10 year old, and younger as well. I do not think it is appr
opriate to add those 🔔 types of swears into the younger category. It
a bad influence on children and really dangerous when you expose them 🔔
to that kind of language. So I think that they need to fix that immediately. It
  s ruined the app experience 🔔 for me. If they update it, and eliminate
               from 18 and under category, I will gladly play 🔔 it again
the
      F word
.</p&qt;
<p&gt;Sincerely,&lt;/p&gt;
<p&gt;A disappointed player.&lt;/p&gt;
