It has been archived, you do not need to be connected from the Web to play/launch The Single Player Campaign or Play Multiplayer locally? Will Call of Duty: Modern Warfare be released as a separate disc? Call of Duty: Infinite Warfare is a free-to-play first-person shooter game developed by Infinity Ward and published by Activision. It is the eighth main installment in the Call of Duty franchise, following Call of Duty: Modern Warfare 2, Call of Duty: Modern Warfare 3, Call of Duty: Black Ops, Call of Duty: Black Ops II, Call of Duty: Black Ops III, and Call of Duty: Infinite Warfare. The game was released on PlayStation 4, Xbox One, and Microsoft Windows on October 27, 2017. It features a single-player campaign, a multiplayer mode, and a cooperative zombie mode. The game is set in a dystopian future where a global conflict has broken out between the United States and a coalition of nations. The player can choose to play as either a member of the United States Marine Corps or a member of the coalition forces. The game features a variety of weapons, vehicles, and maps. It also includes a new feature called "Warzone", a battle royale mode where up to 100 players fight to be the last one standing. Call of Duty: Infinite Warfare received mixed reviews from critics, with praise for its graphics and sound design, but criticism for its campaign and multiplayer. The game was a commercial success, selling over 10 million copies worldwide. It was followed by Call of Duty: Warzone, a free-to-play battle royale game, and Call of Duty: Warzone 2.0, a sequel to Warzone.
