

# aposta ganha west ham

PoKi is a group for "extraordinary propkillers" from all around the world.

Propkilling has its roots in DarkRP where it started as a way to counter RDM-ers and

quickly get out of a situation by prop surfing. This was in 2007/2008, propkilling has

since then become an artful mastery with steep learning curve. Watching a propkill

battle today is a very impressive display of serious skills.----P
