<p>My dad is getting older and I bought him an a tablet years ago hoping t
hat he would it to 💷 download apps to challenge his mind but he doesn t
want to use it for hardly anything but playing this outdated 💷 and sim
plistic game.</p>
<p>What makes it worse is that he must be horrible at playing it because h
e usually loses all 💷 or most of his chips.</p>
<p>He usually can t remember how many chips he has from day to day so I ll
try 💷 to win him some without him knowing. Sometimes I m not able to s
o then I have to buy chips to 💷 help him out.</p>
<p>I can t buy chips on his account because he s on a fixed income and he
would go crazy 💷 if there was a charge for purchasing chips. I m guessi
ng and at least for me, I ve notice purchasing chips will 💷 cause a lot
more losses since they know the people who purchase chips will purchase more wh
en they have lost 💷 all of there chips versus the people who play and n
ever purchase chips.</p>
<p>Well I wasn t doing any harm to anyone 💷 but purchasing chips
for my elderly dad but now they ve decided to crack down on a major threat to
society 💷 so now I can t donate money to them.</p>
