In our Analysis we always check the Tranco ranking. In this case it was low. A low Tranco ranking means that the website has relatively few visitors. For a new website this is logical. The same is true for a highly specialized website. However if the website claims to be a large corporate or popular site, than warning flags should be raised.

This domain name has only been registered recently. This means that the website is actually quite young and few if any consumers have had time to leave reviews or social media comments. It is therefore best to check this website thoroughly to make sure the website was not set-up by a scammer. Please check out our article "How to recognize a scam";

We tried to analyze the content of the website but we failed. It may mean a temporary technical error, that the site is not active, there is no content, or that the website is actively blocking our efforts to analyze the information it is offering. As we analyze more than 2 million websites every month we recommend caution. Extra research to determine if this website is legit or a scam is recommended.
