<p>I thought the game and awesome! The screen effects really made the stor y come to life. And it wasn t 💲 boring where you just want to skip it t hrough and move on, you really want to read it and see 💲 what was happe ning! But there was only one problem, which caused me to delete the app. When yo u first open 💲 the app, they ask for your age, one of the options is 18 and under. So I click that and 💲 I start my first story. I really like d it! The story was well played out and I laughed a little 💲 too. But t he only problem was that the F word was put in there at least once in each sto ry. 💲 I think that is extremely disappointing that they would do that. If you click 18 and under, I expect the 💲 creators of the app to elimin ate all the F words and maybe more swears, I say this because 18 and 💲 under does include 10 year old, and younger as well. I do not think it is appr opriate to add those 💲 types of swears into the younger category. It s a bad influence on children and really dangerous when you expose them 💲 to that kind of language. So I think that they need to fix that immediately. It s ruined the app experience 💲 for me. If they update it, and eliminate the F word from 18 and under category, I will gladly play 💲 it again .</p>
<p>Sincerely,</p>
<p>A disappointed player.</p>
