Art the Clown became infamous in the original Terrifier for the shocking ways that the slasher interacts with his victim's bodies, and Terrifier 2 amps that up even further. After Terrifier's nauseating hacksaw scene, Terrifier 2 takes things a step further and includes dismemberment, cannibalism, and scalplings galore.

One Terrifier 2 Scene Idea Was Too Disturbing For The Director

Insensitive and Disturbing. This movie has too much violence and gore. This is definitely not for kids; and especially when their brain is still developing. This is also not a movie for people who are sensitive to slasher films.
