

## 5 gols apostas

The year 2027 brought hope to a world on the brink of environmental and political collapse. On the last leg of its funding, NATO's United Space Mission (USM) made a discovery on the moon that changed the course of human history. A large alloyed sphere, found nestled in a crater under the lunar dawn, is revealed to be an alien artifact containing a message for mankind. As an international team slowly deciphered the artifact, the content of this message began catalyzing a huge leap forward in our sciences. Humanity was abruptly catapulted into a new interstellar age. There are those who now believe we were not ready. Intense, fast-paced, team combat. Animation and camera control that make you feel like a space marine...super human. Have it all: jetpacks, armor, hammers, swords, guns, bombs, in melee, ranged, and aerial combat. Tanks smashing with hammers, deadly Scouts slashing their enemies down the middle with their katana, different jetpacks for every class create dynamic aerial combat, Gunners sniping from across the map, and Tech healing and dueling while laying down turrets. Even throw f-bombs! All class specific jetpacks allow you to hop and bound across the map gaining momentum and speed. Your team's combined skill and coordination determine the winner of this tournament. Choose to fight as one of a growing cast of classes battling in 10-20 minute matches. Please try it out, it is not like other shooters.
