A revista "Brasileir#227;o Ozzo" Recently
, wrote an article about the biggest derby in Minas Gerais, the "Cl#225;ss
ico Mineiro," disputed between , Clube Atl#233;tico Mineiro and Cruzeiro
. The rivalry has its origins in the 1920s, when both teams were founded, and is
, considered the second-most popular derby in Brazil, behind Corinthians x Pa
lmeiras.
The main disputes between these two teams began years after , Cruzeir
o, originally named Sociedade Esportiva Palestra It#225;lia, was founded in 192
1. However, it was in the 1940s that the rivalry , strengthened and became the
largest derby in Minas Gerais, rivaling any other football competition in the s
tate during the 1960s.
At , the time being, Atl#233;tico competes in several sport modaliti
es; however, it has an excellent historical record in football, providing the ,
most international-class players of any football club from Minas Gerais. In co
ntrast, Cruzeiro, which holds the largest number of national , football titles
, is considered the second most popular football club in Minas.
It#39;s interesting to mention that even though both teams , hold a
historic rivalry in football, a study reveals that each team has unique fan char
acteristics. Atl#233;tico fans are predominantly , males (76%) from high-inco
me neighborhoods (41%.) While Cruzeiro has a contrasting audience: with more tha
n 50% of fans being female , and having a prevalence of income ranging from mi
ddle (32%) to high levels (28%).
