Também gostaria de saber qual o melhor método para ganhar em

o jogo. Are there any specific tips or tricks that can give me the upper hand in this game?

Obrigado! Me segue as regras de Short Deck Hold'em, mas

com algumas condições específicas para quando jogar em casa:

1.

Antes Lojas: Many homes are playing without antes, but it's exciting to have them to create more action and better gameplay for every

one. have the antes would greatly to create better and fair gameplay

for everyone.

2. number of players: While usual Short Deck Hold'em Tables come with only 6 seats, you can simply play with fewer people or more, changing the design and rotation of the deal and overall dynamic. If you deal and separate cards manually, you miss action jettention to deal the boards faster, and each player takes all of their hands within a rotating point system. (4 streets/rounds). When the board is set for a round, all players remain remaining the m their hand and bet.
