<p></p><p>Flags is a thinking game where you are presented wit
h a random flag, and you must guess which country it 8 , £ belongs to. There are
six main game modes: 60 Seconds (get as many flags correct as possible in one mi) Tj T* BT
(wrong answers will be repeated). In the 8 , £ default mode, the game will displ
ay a flag and you will choose one of the countries listed below as potential 8 , £
answers. The second game mode works similarly but in reverse: The game will sh
ow you a country name and present 8 , £ you with three flags to choose from. The
quicker you answer, the more points you will earn. And the more 8 , £ questions y
ou get right without failing, the higher your score can be. What's your stre
ak in Flags? Share the game 8 , £ with your friends and have a fun competition!&
