<p>Bookies set odds for Sporting event, Or ather competitions that Attract betting action. The odds are designed to encourage betting on both sides of an Event; ensuring That the bookie will make a profit Regardless from the outcome! They do this by adjusting the payout to favor the side they think will win - thus ensuring the bookie will profit either way. If you bet on the favorite and they win, you win less. If you bet on the underdog and they win, you win more. This is how bookies make their money.
