Amazon is notifying you about a payment authorization you have for a merchant that is no longer active. This is a common occurrence for merchants that have been suspended or have had their accounts closed. You may have authorized a payment for a merchant that is no longer active or a merchant that is no longer available in your region.

1. Go to Amazon Pay, click Sign In, and select Check your Amazon Pay orders.

2. Sign in using your Amazon credentials.

3. Select the Merchant Agreements tab, for the applicable payment authorization, click the Details link.

4. Under Manage Merchant Agreement, click Cancel agreement.
