<p></p><p>The year 2027 brought hope to a world on the brink o

f environmental and political collapse. On the last leg 👄 of its fundin

g, NATO's United Space Mission (USM) made a discovery on the moon that chang

ed the course of human 👄 history. A large alloyed sphere, found nestled

in a crater under the lunar dawn, is revealed to be an alien 👄 artifa

t containing a message for mankind. As an international team slowly deciphered t

he artifact, the content of this message began 👄 catalyzing a huge leap

forward in our sciences. Humanity was abruptly catapulted into a new interstell

ar age. There are those 👄 who now believe we were not ready. Intense, f

ast-paced, team combat. Animation and camera control that make you feel like

28068; a space marine...super human. Have it all: jetpacks, armor, hammers, swo

rds, guns, bombs, in melee, ranged, and aerial combat. Tanks 👄 smashing

with hammers, deadly Scouts slashing their enemies down the middle with their k

atana, different jetpacks for every class create 👄 dynamic aerial comba

t, Gunners sniping from across the map, and Tech healing and dueling while layin

g down turrets. Even throw 👄 f-bombs! All class specific jetpacks allow

you to hop and bound across the map gaining momentum and speed. Your team's

👄 combined skill and coordination determine the winner of this tournam

ent. Choose to fight as one of a growing cast of 👄 classes battling in

10-20 minute matches. Please try it out, it is not like other shooters.</p>
