O que é uma odd americana? As odds americanas, também conhecidas como linhas de dinheiro, são uma representação numérica das características de um time ou jogador para vencer um determinado evento. Essas cotações são geralmente usadas nos mercados de apostas esportivas, nos EUA e outros países, permitindo que os apostadores possam apostar na possibilidade de qualquer ganhador potencial por uma unidade de apostas colocada.

You may have to work through some low skill games and face low ranking players along the way. These types of matches are a great way to learn the game as they are easy lobbies.
