<p>Best cod of the modern era, not that that saying much. The campaign was
fun enough, 🌧 , with interesting ideas such as dialogue options and bra
nching missions, but overall it's hard to get invested in due to 🌧 ,
the state of the overarching COD storyline. I'm honestly can't tell if
this is solely in the new MW timeline, 🌧 , a sequel to the old black ops
storyline, or some weird fusion of the two that drags the old games 🌧 ,
into everything.</p>
<p>Not much to say on the MP. I haven't played it since it's year
in the cycle, and games 🌧 , are hard to find, at least on pc/steam. From
what I remember I enjoyed it, especially the 3v3 mode. the 🌧 , overall
game feel is bad compared to the MW games, but I think that's not an issue g
oing forward. Fun 🌧 , for the most part, but SBMM makes matchmaking anno
ying to participate in, often having the game openly tell you it's 🌧
, searching for games with 100 plus ping at times.</p>
<p>Zombies though, Zombies is genuine great. BO 3 is certainly the peak &#
127783; , of the original zombies formula, but I dare say I almost like this mor
e, gameplay wise. It is sadly missing 🌧 , a lot of the personality of th
e W@W-BO3, with MP operators as characters instead of a set crew being the
783; , largest problem. The HUD does also kinda suck, fine in function but lacki
ng any character in the design. Especially compared 🌧 , to BO3, although
I'd say it's still miles above BO4 with how cluttered that was.</p>
