A huge collection of free games for kids to play at 😊 differen

t levels</p>

A lot of our games for kids feature the option to select a difficulty l

evel that is suited to 😊 the player. For instance, in our jigsaw puzzle

games this allows you to set the number of puzzle pieces to 😊 play wit

h. In our picture matching games, you can use the difficulty settings to select

the number of cards. This 😊 way, you can make sure the level of play is

always right: challenging enough to keep the game engaging, but 😊 not

so difficult that it becomes discouraging </p>
