Not only boys like to play such games, girls do 🔔 too, because they come in different interp retations. And not necessarily shootings are about murder and violence. When you hold a 🔔 weapon in your hands, you are overwhelmed with amazing feelin gs. You denounce strength, security, and power, but at the same 🔔 time a large amount of responsibility. We need to know weapons are not just an instru ment of war. First, it 🔔 is a tool that helps to achieve a specific goal I. Weapons were invented in ancient times when it was necessary 🔔 to de fend against the attacks of enemy tribes and defend their rights. At that time, weapons looked like ordinary stones 🔔 and sticks, but over time they im proved and changed so that today they have evolved into what we see in 🔔 war movies and various shooters. Another purpose of weapons in addition to def
